Assalamu Alaikum warahmatullahi wabarakatuh

I pray this letter finds you in good health and I thank you sincerely for your guidance, support, and the noble work your hands do for our family and community.

With utmost respect and humility, I kindly write to request permission to visit your home on **25th July 2026 at 2:00 PM** to formally seek the hand of your daughter, **Lunkunse Nabirah**, in marriage, in accordance with Islamic tradition.

I also kindly request approval to be accompanied by my family members and close friends, totaling **15 people**, to witness and support this honorable occasion.

It would truly be a blessing and great honor if my request is granted.

May Allah bless you abundantly, reward your efforts, and grant success and happiness to our families.

**Sincerely,
Nsereko Najib**
